Introducing for the first time
PreCourse on Basics of TKR-
‘DRAPING TO DRESSING’
on 9th January 2020

18th Winter Meeting
Advances & Techniques in Joint Replacement Surgery & Arthroscopy

9th - 11th January 2020
Grand Hyatt, Mumbai (Kalina)
Dear Colleague,

We would like to welcome you to the Eighteenth Winter Meeting of Ranawat Orthopaedic Conference (ROC) “Advances & Techniques in Joint Replacement Surgery & Arthroscopy” which will be held at Grand Hyatt, Mumbai from Thursday, 9th January to Saturday, 11th January 2020.

Joint Replacement Surgery has made an impact as the single most significant advance in improvement of the quality of life of arthritis patients worldwide. This field is evolving very rapidly and with the increase in longevity that is being witnessed by the world, it is becoming more relevant to mankind every year.

The Ranawat Orthopaedic Conference will focus on all advancements in Joint Replacement & Arthroscopy. In addition, we are planning a very special program which will debate all the recent developments including robotics, computerized navigation, cementless total knee replacement, unicompartmental knee replacement amongst others.

For the first time, we are introducing Pre Course on Basics of TKR which will cover all topics which an Arthroplasty surgeon should know for ensuring a successful outcome of TKR.

We are confident that this meeting will not only provide the best of academics, but also provide the opportunity of socializing & networking with your colleagues. We cordially invite you to attend this meeting. Please register immediately.

Regards,

Dr. Amar S. Ranawat
Dr. Anil S. Ranawat
Dr. Parag Sancheti

OVERSEAS FACULTY

Dr. C. S. Ranawat
Dr. Daniel Berry
Dr. Thorsten Gehrke
Dr. Anil S. Ranawat
Dr. Victor Illizaturi
Dr. Kevin Plancher
presentation (two awards)

ranawat orthopaedic research foundation invites two full papers related to hip or knee arthroplasty for selection for the “late k. t. dholakia best paper award”. one paper will be for author less than forty years of age, and one for author more than forty years of age.

instructions for complete paper submission

1. eligibility
age criteria as mentioned above (please indicate your date of birth). it is compulsory for you to register for the conference to be eligible for selection.

2. decision
the committee will scrutinize all the papers submitted and shall select only two papers for the award (one for below 40 age group and one for above 40 age group). the decision of the committee regarding selection of the paper for the award will be final and binding.

3. award
only the author whose paper gets selected for the award will be given 8 minutes for the presentation of his paper during the conference. the award winner shall also get a special prize and certificate of merit.

4. format
the full paper must be sent as hard copies in ms word, (1 copy to be submitted by post) & one soft copy (to be submitted by e-mail).

5. contents of full paper
i) title: title should indicate the nature of the study which should pertain to hip or knee arthroplasty. should include author’s name with degree and designation.
ii) introduction: should state the nature, aims and purpose of the study.
iii) materials and methods: should provide all the basic data and description of what was actually done and details of the research, clinical or experimental procedure.
iv) results: should contain the findings of the study with appropriate chart and tables.
v) discussion and conclusion: should be based on the findings and relate to the purpose of the study. comparative analysis of your work with other studies in literature should be made.
vi) references: should be included wherever relevant.

6. last date
last date for receiving complete papers is 25th december, 2019.
